

Safety Bucks Store at DDRT

By Marilou Nelson, DDRT Public Affairs

Defense Distribution Depot Red River, Texas (DDRT) has an outstanding safety program that puts safety first in every message. To reward staff for their attention to safety, DDRT presents "Safety Bucks" which can be spent at the "Safety Bucks" store.

Dinah Sams, Manager of the "Safety Bucks" store at DDRT, checks merchandise displayed in the Distribution Operations Center (DOC) at DDRT. Employees are shown spending their "Safety Bucks" on nice merchandise. The safety buck store has been very successful and is one of the reasons DDRT has such an excellent record for safety.
